Be it remembered that on the thirtieth day of October in the year one thousand seven hundred and ninety eight, personally appeared before me Moses Atwater one of the Judges of the Court of Common Pleas for the County of Ontario, Thomas Morris, who being duly sworn declared he saw the Grantors of the within instrument affix their signatures to the same as execution thereof - And that he the deponent with Charles Williamson in the presence of each other subscribed their names as witnesses to the same - I being personally acquainted with Thomas Morris and upon inspection of the said instrument, finding no material erasures or interlinations do allow the same to be recorded - - - -
