Collection Summary

Repository: Archives and Special Collections Library, Vassar College Libraries

Title: Breed Collection of Maps, Documents, and Prints

Dates: 1545-1973

Quantity: Approximately 300 items

Abstract: Collection of maps, charts and atlas pages, documents, and illustrations depicting various regions of the globe ranging from the 16th to 19th centuries.

[Top](#)

Scope and Content Note

Collection of maps, charts and atlas pages, documents, and illustrations depicting various regions of the globe ranging from the 16th to 19th centuries. Of particular note are maps of Great Britain, Germany, Italy, the North American colonies, and South America. The documents relate to Peter Chester, Colonial Governor of West Florida. All measurements are approximate.

[Top](#)

Arrangement

The maps are organized into series roughly by geographic area. There is considerable overlap between the sub-series, though, so careful browsing is required to complete a thorough search of the collection. Within each series, maps are arranged in item number order. [Top](#)

Access and Use

Access

This collection is open for research according to the [regulations of the Vassar College Archives and Special Collections Library](#) without any additional restrictions.

Restrictions on Use

Permission to quote (publish) from unpublished or previously published material must be obtained as described in the [regulations of the Vassar College Archives and Special Collections Library](#).
